### Plaque Order Form

We are having colourful plaques made which will be proudly displayed in the playground once it's built. There are four sizes of plaque available and you're welcome to have whatever you wish written on them, we have included the following as ideas only.

(Please note business plaques are being designed and ordered separately.)

- **5x2 inches** –this is perfect for a name or two, this could be for yourself, your children or grandchildren, a friend or other relative – the possibilities are endless!
- **6x4 inches** - this would be great for a family donation to include more than just a couple of names.
- **8x6 inches** – this could be a good size for a memorial plaque and would be a wonderful tribute to a loved one.
- **A4** – would you like your plaque to stand out? This size is sure to get noticed whether it's for a host of names or a memorial.
